## Come verificare il firmware sul Kenwood TS2000

TS-2000/TS-2000X/TS-B2000

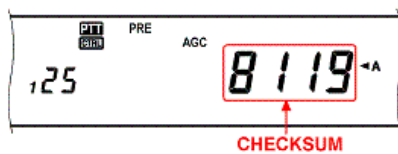

How to check the firmware version

---

You can check the firmware version of your TS-2000(X)/B2000 by following procedure.

### TS-2000/TS-2000X

- 1) Turn the transceiver ON while pressing the [MIC] key and [NR] key to enter Checksum confirmation mode.
- 2) The Checksum of the firmware appears on the main 7 segment display.

- 3) Turn the transceiver OFF to exit Checksum confirmation mode.

### TS-B2000 (Optional RC-2000 mobile controller is necessary)

- 1) Turn the transceiver ON while pressing the [1MHz] key and [DOWN] key to enter Checksum confirmation mode.
- 2) The Checksum of the firmware appears in the center of the RC-2000's display.

- 3) Turn the transceiver OFF to exit Checksum confirmation mode.
